

# Solution Monoflap

## **The “Ultimate” Cross Country Saddle!**

With a seat that allows you to go from a sitting position to 3 point to 2 point effortlessly and a flap that provides an amazingly secure leg and doesn't pull rearward over even the most challenging obstacles. And of course featuring County's amazing all natural tree and panel designs which allow your horse to recover his balance quicker on the landing side of a jump. Less effort, less pain and more horse left for stadium.

Nothing to lose, everything to gain, get your horse out of pain ! Try it now.
